## Service Staff Pricing Information

Simply Amazing Service has assembled the finest service staff and bartenders in Tulsa so you can be assured that your guests will be taken care of. Although the number of staff members needed to ensure that your event runs smoothly can vary, below you can see how we would normally staff an event.

**Service Personnel:** For a buffet service using china we suggest 1 server for every 30 guests. If you're having a sit down meal we would then suggest 1 server for every 20—25 guests. If you have opted to use disposable ware, then you could expect to need 1 server for every 40 guests.

The cost for our servers is \$25.00 per hour with a 3 hour minimum.

**Bartenders:** If serving beer & wine only we suggest 1 bartender for up to 120 guests and 2 for up to 225. If you will be serving mixed drinks then you will need 1 bartender for up to 100 guests and 2 for up to 200.

Our bartenders are \$25.00 per hour with a 3 hour minimum. Gratuities are not required but are certainly appreciated.

**Chef Attended Stations:** We suggest 1 chef for every 100 guests. This can vary depending on the menu.

The cost for our chefs is \$65.00 for 2 hours. If you need extra time it will be an additional \$25.00.

Simply Amazing Service will inform you of the number of staff members necessary for your event to be successful and you will see the cost of service before you sign your contract. If there is any change due to the event going long then you will receive an additional charge after the event, however if the charge is less we will return the difference.
